INSTRUCTION FOR insight

REGISTRATION:

The registration process is very simple. All you need to do is visit _www.decoderssit.club/insight17_ and register yourself in a group of maximum 3 students.

SUBMISSION:

- Submission dates to be strictly followed. No exceptions will be made.
- Submission is to be done on _www.decoderssit.club_ in the prescribed format. (Available on the website).
- There will several problem statements listed on the webpage, each pertaining to some department of SIT. You are required to go through the problem statement and prepare an abstract on how you are going to solve this problem. There is a specific format of the abstract. You need to follow it strictly.
- Each team can submit their solutions to multiple problem statements. We encourage students to submit solutions for multiple problem statement. This would increase the chances of you selection for final event.
- However, a team if selected will be selected for the one best solution out of the all solutions they have proposed.
- Entries to be sent only in the prescribed format, otherwise they are bound to get rejected.
- Selected teams will be informed 5 days prior to the start of hackathon.

Prizes:

Prizes for the winning teams	
1st Prize	Rs. 5000/-
2nd Prize	Rs. 3000/-
3rd Prize	Rs. 2000/-
